

# ACTIVITY 2

## Interaction Guidelines

<p>Stay focussed and attentive.</p>		<p>Stay relevant but allow for creative improvisation.</p>
<p>When someone speaks, listen without interrupting.</p>	<p>Share your ideas, questions, comments as briefly and clearly as you can.</p>	<p>Be curious about other people's views and ideas.</p>
	<p>Refer to group members using their names. 'Sue said...' instead of 'She said....'</p>	<p>Do not hold back an idea out of concern about what the teacher or others think.</p>
<p>If you lose the thread, let the group know that you need help in refocusing.</p>
